Dental Decay and Oral Health Implications for Safeguarding

**Monday 24th June 2019**

This seminar will be presented by Zoe Marshman and Jen Kirby, Specialists in Paediatric Dentistry at Sheffield Teaching Hospitals NHS Foundation Trust. The session will cover:

- Dental decay in Sheffield Children – the extent of the problem and the impact of dental neglect on the child
- What children need to prevent this preventable disease
- Issues for safeguarding children where oral health is neglected
- Support from other agencies

Details of all other Sheffield Safeguarding Children Board multi-agency training courses can be found at:  [www.safeguardingsheffieldchildren.org](http://www.safeguardingsheffieldchildren.org)
Domestic Abuse: Coercive Control

Wednesday 26th June 2019

Domestic Abuse is a growing problem, and it is acknowledged that abuse can take many forms. It is vital that any type of abuse is recognised and taken seriously in order that children are safeguarded and support for families is available as early as possible. This seminar will consider:

- The nature of Coercive Control, Stalking and Harassment
- Police Powers: Domestic Violence Protection Notice/Orders and Clare’s Law
- Findings from recent cases.

***

Cyber Crime

Tuesday 9th July 2019

Claire Hanks, Cyber Project Officer within the Digital Investigations and Intelligence Team of South Yorkshire Police, will cover the following during this seminar:

- How to keep yourself safe from Cyber crime
- Messages to share with children, young people and families to improve levels of confidence and make them aware of particular or emerging dangers
- Case studies

***
